RECITALS

A. This Declaration of the EAGAN HILLS CONDOMINIUM ASSOCIATION, Common Interest Community No. 497, amends and restates the Declaration previously recorded May 13, 2005, as Dakota County Recorder Document No. 2321566 (the "Prior Declaration.")

B. The former Declarant (Brian Edgren) has since sold all previously identified Subject Property and Additional Real Estate Property to private owners, now Members of the EAGAN HILLS CONDOMINIUM ASSOCIATION, Common Interest Community No. 497. C. The initial Declaration as identified above in Section A is now being amended and restated at the unanimous request of all current members of said EAGAN HILLS CONDOMINIUM ASSOCIATION, Common Interest Community No. 497 for the purposes of expanding those properties to be deemed Subject Properties of EAGAN HILLS CONDOMINIUM ASSOCIATION, Common Interest Community No. 497, as well as Additional Real Estate Property, in effort to expand the flexible Common Interest Community.

D. The following described real property situated in the City of Eagan, County of Dakota, State of Minnesota ("Property") is subject to this amended and restated Declaration of the EAGAN HILLS CONDOMINIUM ASSOCIATION, Common Interest Community No. 497, and legally described on Exhibit A attached hereto and incorporated herein by reference (the "**Subject Property**")

F. Declarant has deemed it desirable for the preservation of the value of the Subject Property to submit the same, together with the buildings, structures, improvements and other permanent fixtures thereon to the provisions of the Act, and to incorporate under Chapter 317A of the laws of the State of Minnesota

"EAGAN HILLS CONDOMINIUM ASSOCIATION" for the purpose of administering the Subject Property. The Subject Property is subject to a Master Association.

G. Declarant is about to sell, dispose of and convey condominium interests or estates in and to the Subject Property, together with the buildings, structures, improvements and other permanent fixtures of whatsoever kind thereon, and any and all rights and privileges belonging to or in anyway appertaining thereto, and to accomplish this purpose desires to submit the Subject Property to the requirements of the Act.

H. Declarant desires and intends that the owners, mortgagees, occupants, and other persons hereafter acquiring any interest in the Subject Property shall at all times enjoy the rights, easements, privileges, and restrictions hereinafter set forth, all of which are declared to be in furtherance of a plan to promote and protect the cooperative aspect of the condominium form of ownership of the Subject Property and are established for the purposes of enhancing and perfecting the value, desirability and attractiveness of the same.

Section 3. DELEGATION OF USE.

Any Owner may delegate, in accordance with the Bylaws, his or her right of enjoyment to the Common Area and facilities to the members of his or her family or to his or her tenants who reside on the Subject Property, subject to the limitation contained in Article IX, Section 9 regarding rental of Dwellings.

Section 4. TAXES AND MUNICIPAL SPECIAL ASSESSMENTS ON COMMON AREAS.

Taxes and special assessments that would normally be levied against the Common Area shall be divided and levied against the individual Units in the Subject Property, or Additional Property as added to the Subject Property at a later date, in equal proportion, or as the governmental taxing authorities shall determine, which levies shall be a lien against said individual Units.

Section 5. ENCROACHMENTS.

Notwithstanding any other provisions contained herein, in the event any Dwelling or garage or any fireplace, roof, air conditioner, flower box, deck, patio, balcony, eaves, or other appurtenance on any Unit as originally constructed (or as reconstructed or added to in accordance with the provisions of Article VIII herein) encroaches upon or overhangs upon any part of the Common Area, then a perpetual easement appurtenant to such encroaching or overhanging Unit shall exist for the continuance of such encroachment or overhang upon the Common Area.

**ARTICLE V
COVENANTS FOR MAINTENANCE ASSESSMENTS**

Section 1. CREATION OF THE LIEN AND PERSONAL OBLIGATIONS OF ASSESSMENTS.

The Declarant, for each Unit owned by it within the Subject Property, hereby covenant, and each Owner of any Unit by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association: (a) annual assessments or charges; and (b) special assessments. Such assessments, together with interest, costs of collection and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs of collection and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his or her successors in title unless expressly assumed by them, but may continue to be a lien on the Unit. No Owner may avoid the lien of, or personal liability for, such assessment by nonuse of the Common Area or abandonment of the Owner's Unit. All assessments shall be fixed, established and collected in the manner provided in this Article. A lien created under this Article is prior to all other liens and encumbrances on a Unit except (i) liens and encumbrances recorded before the Declaration, (ii) any first mortgage encumbering the fee simple interest in the unit, (iii) liens for real estate taxes and other governmental assessments or charges against the unit.

Section 2. PURPOSE OF ASSESSMENTS.

The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Subject Property and for the improvements and maintenance of the Common Area and other areas that the Association is obligated to maintain as provided herein. The annual assessments shall be payable in regular installments and shall be used for (but not limited to) hazard insurance for Common Area and Dwellings; maintenance to be performed by the Association pursuant to Article XII; an adequate reserve fund for maintenance, repairs and replacement of the Common Area and improvements thereon and other areas that must be replaced on a periodic basis; and maintenance, repairs and replacement of water, sewer and the utility lines and fixtures that are not the responsibility of the City of Eagan, which serve the Common Area or any Unit. Said annual assessments shall also be used for maintenance and replacement of lawn, landscaping and shrubbery on Common Areas, for snow removal from paths and sidewalks located on Units and Common Area and public sidewalks; and for maintenance and replacement of lawn, landscaping and shrubbery located on public boulevards and exterior maintenance of the Dwellings situated upon the Subject Property.

Section 3. BASIS AND MAXIMUM OF ANNUAL ASSESSMENTS.

Except as provided in Section 8, below, annual and special assessments shall be levied equally between all the Units and may be collected on a monthly basis, provided, however, that assessments arising out of the negligence or nonperformance of any obligation of an Owner shall be for additional nonuniform amounts and shall be immediately due in full from the Owner and assessments against fewer than all Units shall be set pursuant to Section 7 below. In addition, upon determination by the Board the costs of insurance may be assessed in proportion to risk or coverage of the Unit being assessed.

Section 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS.

In addition to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, unexpected repair or replacement of a capital improvement, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of Members holding at least seventy-five percent (75%) of the voting power of the Association and who are voting in person or by proxy at a meeting duly called for this purpose. If additional Units are added to the Subject Property by the addition of all or any portion of the Additional Property to the Subject Property, the Owner of each additional Unit shall be responsible for all special assessments levied on or after the date of such addition.

Section 5. CHANGE IN BASIS AND MAXIMUM OF ANNUAL ASSESSMENTS.

The limitations of Section 3 hereof shall not apply to any change in the maximum and basis of assessments undertaken as incident to a merger or consolidation in which the Association is authorized to participate.

Section 6. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 3 AND 4.

Written notice of any meeting of the general membership required for an action authorized under Sections 3, 4 or 5 shall be sent to all Members not less than thirty (30) nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of the entire voting power of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement,

and the required quorum at the subsequent meeting shall be one-half of the quorum required at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. ANNUAL AND SPECIAL ASSESSMENTS.

Except as provided in Section 8, below, both annual and special assessments must be allocated equally between all the Units. This requirement shall not apply to:

- (a) common expenses or portions thereof benefiting fewer than all of the Units, which may be assessed exclusively against those Units benefitted in equal proportion;
- (b) reasonable attorneys' fees incurred by the Association in connection with the collection of assessments or the enforcement of the Governing Documents or the Rules against a Member, which may be assessed against the Member's Unit;
- (c) fees and charges, interest, fines and late charges for: services provided to specific Units, late payments of assessments, violations of the Governing Documents or Rules, fees for preparation of Association documents, resale certificates, etc.; and
- (d) willful or negligent acts as set forth in Section 11 hereof.

If additional Units are added to the Subject Property (by the subdivision or conversion of Units by Declarant), the Owner of each additional Unit shall be responsible for all special assessments levied on or after the date of such addition.

Section 8. ALTERNATIVE ASSESSMENT PROGRAM FOR DECLARANT.

The Declarant hereby establishes an alternative assessment program as permitted by Minnesota Statutes, Section 515B.3-115(b). Specifically, if a common expense assessment has been levied, any Unit owned by the Declarant shall be assessed at the rate of 25% of the assessment that would otherwise be levied on such Unit until such Unit is substantially completed as evidenced by a certificate of occupancy issued with respect to such Unit by the City of Eagan; provided, however, that that part of any assessment allocated to a replacement reserve shall be fully levied against each Unit, including Units owned by Declarant, upon substantial completion of the exterior of the building containing the Unit. Following issuance of a certificate of occupancy, each Unit owned by Declarant shall be assessed at the full rate. This reduced assessment shall apply to each Unit owned by the Declarant, and shall continue as to each such Unit until such unit is substantially completed as evidenced by the issuance of the certificate of occupancy as previously described. There are no assurances that this alternative assessment program will have no effect on the level of services for items set forth in the Association's budget.

Section 9. DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS, DUE DATES.

The annual assessments provided for herein shall commence as to all Units on the date that the first Unit is sold to an Owner other than Declarant (or their affiliates).

If additional Units are added to the Subject Property (by the subdivision or conversion of Units by Members or pursuant to Article VII, Members shall not be responsible for the payment of any annual assessment on an any such additional Unit until the amendment to this Declaration adding the additional Unit to the Subject Property is recorded, however, Members may be required to pay a portion, or all of any

special assessment that may result from the addition of such Unit, prior to recording. Upon such recording, all Units added by the amendment to this Declaration shall be subject to annual assessments, and any special assessments that may result. The initial payment of monthly installments for each additional unit shall be the installment amount payable by the Owner of each Unit in the Condominium prior to the Filing Date the "Pre-Filing Installment Amount"), pro-rated for the period commencing with the Filing Date and ending with the date upon which such initial monthly installment is due. Subsequent monthly installments shall be in the amount equal to the Pre-Filing Installment Amount until the Association determines the next subsequent annual assessment.

The first annual assessment shall be made for the balance of the calendar year and shall become due and payable in equal installments on payment dates to be established by the Board of Directors.

The amount of annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3 hereof as the remaining number of months in the year bear to twelve. The same reduction in the amount of the assessment shall apply to the first assessment levied against any property which is hereafter added to the properties now subject to assessment at a time other than the beginning of any assessment period.

The due date of any special assessment under Section 4 shall be fixed by the resolution authorizing such assessment.

Section 10. DUTIES OF THE BOARD OF DIRECTORS.

The Board of Directors of the Association shall fix the amount of the assessment against each Unit for each assessment period at least thirty (30) days in advance of such date or period.

Written notice of the assessment shall be sent to every Owner subject thereto, provided, however, that the failure to send such written notice shall not render any assessment invalid.

The Board shall have the right to collect any annual or special assessment on a monthly basis. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a given Unit have been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 11. ASSESSMENT OF COST DUE TO WILLFUL OR NEGLIGENT ACTS.

If the need for maintenance or repair is due to the willful or negligent acts of an Owner or the Owner's family, guests, tenants or invitees, the cost of such maintenance less the net insurance proceeds received by the Association due to such act or neglect, if any, shall be assessed against such Owner's Unit and shall be added to and become a part of the current annual assessment against that Unit and, at the option of the Board, shall be payable in full with the next monthly installment of the then current annual assessment, or divided equally over the remaining months for the then current annual assessment and payable with and in addition to the monthly installments of the then current annual assessment.

Section 12. EFFECT OF NONPAYMENT OF ASSESSMENTS: REMEDIES OF THE ASSOCIATION.

Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eight percent (8%) per annum. The Association may bring (a) an action at law against the

Owner personally obligated to pay the assessments, and/or (b) foreclose its lien for the amounts owed by the Owner.

To evidence a lien for sums assessed pursuant to this Article, the Association may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Unit, and a description of the Unit and file or record the same, but such notice of lien shall not be recorded until such assessment has been wholly or partially unpaid for at least thirty (30) days from the due date. Such lien may be enforced and foreclosed by the Association in the same manner in which mortgages on real property may be foreclosed by action or by advertisement under a power of sale in Minnesota. Each Owner, by acceptance of a deed for any Unit, does further hereby give full and complete power of sale to the Association and does consent to a foreclosure of the assessment lien as if such lien were a mortgage containing a power of sale. In the event of any such foreclosure, and in the further event that the Association shall prevail in any such foreclosure, the person personally obligated to pay the same shall be required to pay all costs of foreclosure, including but not limited to, reasonable attorneys' fees. The person personally obligated to pay such lien shall also be required to pay the Association any assessments against the Unit which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use, and otherwise deal with the Unit as the Owner thereof. Prior to reselling the Unit after foreclosure, no assessments shall be levied against the subject Dwellings; provided, however, that if the Association rents or leases the Dwelling, the Association shall once again have the right to levy assessments against said Dwelling. A release or satisfaction of the notice of lien shall be executed by an officer of the Association and recorded upon payment of all sums secured by such lien.

Section 13. SUBORDINATION OF LIEN TO MORTGAGES.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage now or hereafter placed upon a Unit. Sale or transfer of any Unit shall not affect the assessment lien. However, the sale or transfer of any Unit pursuant to mortgage foreclosure or any proceeding in lieu thereof (including the delivery of a deed in lieu thereof) shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall release such Unit from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessments.

All other parties acquiring liens on any Unit after this Declaration is recorded shall be deemed to consent that their liens shall be and remain inferior to future liens provided for herein.

The Association shall, upon written request, report to any first Mortgagee or other encumbrancer of a Unit the amount of the assessments remaining unpaid for a period longer than ninety (90) days after the same shall become due.

Section 14. EXEMPT PROPERTY.

The following property subject to this Declaration shall be exempt from the assessments, charges and liens created herein:

- (a) All properties dedicated and accepted by the local public authority and devoted to public use;
- (b) All properties exempted from taxation by the laws of the State of Minnesota upon the terms and to the extent of such legal exemption; and
- (c) All Common Area as defined in Article I hereof.

- (d) Notwithstanding any provision herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.

ARTICLE VI **PARTY WALLS**

Section 1. GENERAL RULES OF LAW TO APPLY.

Each wall which is built as a part of the original construction of the Dwelling upon the Subject Property and placed on the dividing line between the Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. SHARING OF REPAIR AND MAINTENANCE.

The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. DESTRUCTION BY FIRE OR OTHER CASUALTY.

If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owner to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. WEATHERPROOFING.

Notwithstanding any other provision of this Article, an Owner who by his or her negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. RIGHT TO CONTRIBUTION RUNS WITH LAND.

The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. ARBITRATION.

In the event of any dispute arising concerning any party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all of the arbitrators.

Section 7. LIEN RIGHTS.

As soon as any expenses for repair and maintenance of a party wall are known, each Owner agrees to make the necessary payments due as soon as reasonably possible. If an Owner fails to make any payment which is due or is necessary to avoid a payment to any contractor, supplier or creditor becoming delinquent, the other Owner shall have the right to make such payment and upon making such payment, such payment shall be deemed to be due and owing from the defaulting Owner and the nondefaulting Owner shall have the

right to file a lien against the defaulting Owner's Unit together with interest at the judgment rate as that rate is established from time to time. To evidence such lien, the non-defaulting Owner may prepare a written notice of lien, setting forth the amount due together with the interest, which notice shall be filed against the defaulting Owner's Parcel in the office of the Dakota County Recorder. This lien shall be superior to all other liens and encumbrances except liens for general real estate taxes and assessments and the lien of any first mortgage. Such lien can be enforced and foreclosed by an action in the same manner in which mechanic's liens can be enforced and foreclosed under the laws of the State of Minnesota and in such action the defaulting Owner shall be liable for all costs of such action including attorneys' fees.

ARTICLE VII

ADDITIONAL PROPERTY

Section 1. RESERVATION OF RIGHTS TO ADD ADDITIONAL UNITS.

The Declarant hereby reserves the right to add all or any portion of the Additional Property to the Condominium. The Declarant's right to add any portion of the Additional Property to the Condominium will terminate ten (10) years following the date of recording of this Declaration. Portions of the Additional Property may be added at different times. The Declarant reserves the right to create no more than one hundred sixty-four (164) Units on the Additional Property. All buildings built and Units created on the Additional Property shall be restricted to residential use and shall be compatible with the Units constructed on the Subject Property in terms of architectural style, quality of construction, and principal materials employed in construction. Notwithstanding any provision set forth in this Declaration to the contrary, Units constructed on the Additional Property may vary in size (including the number of stories) from Units constructed on the Subject Property. All restrictions contained in this Declaration affecting the use, occupancy, ownership and alienation of Units will apply to units on the Additional Property that may be made subject to this Declaration. None of the assurances regarding the Subject Property contained in this Declaration shall apply to any portion of the Additional Property not subjected to this Declaration pursuant to this Article. The Declarant makes no other assurances with regard to the Additional Property pursuant to Minn. Stat. § 515B.2-106.

Section 2. AMENDED DECLARATION.

The Declarant may add all or any portion of the Additional Property to the Planned Community at any time within the time limit set forth in Section 515B.2-106 of the Act by recording an Amended Declaration identifying that portion of the Additional Property that is being subjected to this Declaration. All improvements on the Additional Property being subjected to this Declaration by such an amendment shall be substantially completed prior to recording such amendment.

Section 3. TREATMENT OF ADDITIONAL PROPERTY.

The Additional Property shall not be subject to the provisions of this Declaration unless and until added to the Condominium by the filing of an Amended Declaration as described in this Article, but once added, shall be treated in the same manner as the Subject Property.

ARTICLE VIII

ARCHITECTURAL CONTROL COMMITTEE

No exterior additions, removals or alterations (including changes in color or appearance) to any building on the Subject Property, additional fences, hedges, walls, walkways, and other structures shall be

commenced, erected or maintained except such as are installed or approved by the Declarant in connection with the initial construction of the improvements on the Subject Property, until the plans and specifications showing the nature, kind, shape, height, materials, location and approximate cost of same shall have been submitted to and approved in writing as to harmony of the external design and location in relation to surrounding buildings erected upon the Subject Property by an architectural committee composed of the Board of Directors of the Association or three (3) or more representatives appointed by the Board of Directors. In the event said Board or its designated committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, such approval shall be deemed to have been given. If no application has been made to the architectural committee or their representatives, or if such application has been rejected, a suit to enjoin or remove such additions, alterations or changes may be instituted at any time by the Association or any Owner, in which suit the Association or any Owner shall have the right to collect reasonable attorneys' fees, costs and expenses. None of the members of the architectural committee shall be entitled to any compensation for their services performed pursuant to this paragraph, but compensation may be allowed to independent professional advisors retained by such committee.

ARTICLE IX.

BUILDING AND USE RESTRICTIONS

Section 1. LAND USE.

No Unit shall be used except for residential purposes, provided however, that the Board, in its discretion, may adapt reasonable rules and regulations, consistent with, or at the approval of the Master Association, permitting business uses that are commonly associated with in-home businesses.

Section 2. NUISANCES.

No noxious or offensive activities shall be carried on upon any Unit, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

Section 3. PETS.

No animals, cats, dogs, reptiles, rabbits, livestock, fowl or poultry of any kind or household pet shall be raised, bred or kept in any Dwelling or in the Common Area, unless written consent has been granted by a majority vote of the Board of Directors of the Association. If such permission has been expressly granted by the Board, then said pet shall not be kept, bred or maintained for any commercial purpose, and provided further, that any such pet causing or creating a nuisance or unreasonable disturbance shall be permanently removed from the Subject Property upon 30 days written notice from the Board of Directors. Authorized pets may be kept outside a Dwelling only when personally attended on a leash by a Member (or a member of a Member's family) who shall immediately pick up and properly dispose of any pet wastes.

Section 4. GARBAGE AND REFUSE DISPOSAL.

No Unit shall be use or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall be kept in sanitary containers and no exterior burning of household refuse shall be done.

Section 5. PROHIBITED STRUCTURES, WINDOW TREATMENTS AND LAWN ORNAMENTS.

No structure of a temporary character, basketball hoop, trailer, tent, shack, boat house, barn or other out-building shall be constructed on any Unit. No garage shall be used at any time as a residence either temporarily or permanently. Window treatments must be in harmony with the design of the Dwelling and the surrounding area and must be properly installed. No blankets, sheets, loose fabric or excessively-brightly colored window treatments shall be permitted. No lawn ornaments or sculptures shall be permitted on any Unit unless inside a Dwelling and not visible from the exterior of the Dwelling. The Architectural Control Committee shall be the final arbiter of any disputes under this Section.

Section 6. STORAGE.

No boats, snowmobiles, trailers, camping vehicles, recreational vehicles, unlicensed or inoperable automobiles or trucks or other vehicles (except automobiles belonging to the Owner or an Owner's guest) shall at any time be stored or parked on any Unit outside of a house or garage. No such boats, snowmobiles, trailers, camping vehicles, unlicensed or inoperable automobiles or trucks or other vehicles shall be stored or parked on any part of the Common Area without the express written approval of the Board of Directors.

Section 7. SEWER FACILITIES.

The sewer disposal facilities in the Subject Property shall be limited to the municipal sanitary sewer system.

Section 8. TIME SHARES.

The time share form of ownership, or any comparable form of lease, occupancy rights or ownership that has the effect of dividing the ownership or occupancy of a Unit into separate time periods, is prohibited.

Section 9. RENTAL OF DWELLINGS.

The Owner may rent a Dwelling thereof provided that a majority of the Board of Directors approves the lease between the Owner and any tenant. In no event, however, shall a Dwelling be rented by the Owner thereof for transient or hotel purposes, which shall be defined as:

- (a) rental for any period less than 6 months, or
- (b) any rental if the occupants of the Dwelling are provided customary hotel services, such as room service for food and beverage, maid service, furnishing laundry and linen, and bellboy service.

Any lease agreement between an Owner and a Tenant shall be in writing and shall provide that the terms of the lease shall be subject in all respects to the provisions of the Governing Documents and rules of the Association, that any failure by the Tenant to comply with the terms of the Governing Documents or the rules shall be a default under the lease, and that the Association shall have the right to enforce the terms of the Lease, the Governing Documents or the Association rules by any legal means including, if necessary, by eviction of the tenant.

ARTICLE X **EASEMENTS**

Section 1. UTILITIES AND DRAINAGE EASEMENTS.

Easements for installation and maintenance of utilities and drainage facilities are hereby created and dedicated in, over and upon the Common Area owned by the Association and Master Association. Within these easements, no structure, fence, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements, or which may interfere with snow plowing or snow storage within these easements.

Section 2. WATER AND ELECTRICITY EASEMENTS.

The rights and easements of enjoyment by the Owner of each Unit and the title of such Owner in said Unit shall be subject to the rights of the Association, and Master Association, to an exclusive easement on and over said Unit for the purpose of installing and maintaining a source of water and electricity from Dwellings to serve the Common Area.

If water or electricity taken from such Unit is used to serve the Common Area and such water and electricity is not separately metered, the Association and the Owner of the affected Unit shall agree on a reasonable method and amount of compensation payable therefore by the Association to the Owner. In the event that the parties cannot agree on a reasonable method and amount of compensation, each party shall choose one arbitrator and the two (2) arbitrators shall choose a third arbitrator and the decision of the majority of all arbitrators shall be final and conclusive of the method and amount of compensation to be paid.

ARTICLE XI **INSURANCE**

Section 1. REQUIRED COVERAGE.

The Association shall obtain and maintain, at a minimum, a master policy or policies of insurance in accordance with the insurance requirements set forth in the Act and the additional requirements set forth herein, issued by a reputable insurance company or companies authorized to do business in the State of Minnesota, as follows:

- (a) Property insurance in broad form covering all risks of physical loss for the full insurable replacement costs of the improvements on the Common Area, less deductibles, exclusive of land, footings, excavation and other items normally excluded from coverage (but including all building service equipment and machinery). The policy or policies shall cover personal property owned by the Association and shall name the Association as the named insured. The policy or policies shall also contain "Inflation Guard" and "Agreed Amount" endorsements, if reasonably available. Such policy or policies shall include such additional endorsements, coverages, deductibles and limits with respect to the foregoing and other hazards as may be required from time to time by the regulations of the FHA or Federal National Mortgage Association ("FNMA") as a precondition to their insuring, purchasing or financing a mortgage on a Unit. The Board may also, on behalf of the Association enter into binding written agreements with a mortgagee, insurer or servicer, including

without limitation the FHA or FNMA, obligating the Association to keep certain specified coverages or endorsements in effect.

- (b) Comprehensive public liability insurance covering the ownership, existence, use, operation or management of the Subject Property, with minimum limits of \$1,000,000 per occurrence, against claims for death, bodily injury and property damage, and such other risks as are customarily covered by such policies for projects similar in construction, location, and use to the Subject Property. Unit owners shall be included as additional insureds but only for claims and liabilities arising in connection with the ownership, existence, use, operation or management of the Common Area. The policy shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an owner or occupant of a Unit because of the negligent acts of the Association or other owners or occupants and shall cover claims of one or more insured parties against other insured parties. The policy shall include such additional endorsements, coverages and limits with respect to such hazards as may be required by the regulations of the FHA or FNMA as a precondition to their insuring, purchasing or financing a mortgage on a Unit.
- (c) Fidelity bond or insurance coverage against dishonest acts on the part of directors, officers, managers, trustees, employees or persons responsible for handling funds belonging to or administered by the Association if deemed to be advisable by the board or required by the regulations of the FHA or FNMA as a precondition to their insuring, purchasing or financing a mortgage on a Unit. The fidelity bond or insurance shall name the Association as the named insured and shall, if required by the regulations of the FHA or FNMA as a precondition to their insuring, purchasing or financing a mortgage on a Unit, be written in an amount equal to the greater of (i) the estimated maximum of Association funds, including reserves, in the custody of the Association or management agent at any given time while the bond is in force, or (ii) a sum equal to three months aggregate assessments on all Units plus reserves. An appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers, or a waiver of defense based upon the exclusion of persons serving without compensation shall be added.
- (d) Worker's compensation insurance, as required by law.
- (e) Policies carried pursuant to subsections (a) and (b) shall provide that:
 - (1) each Member and any secured party of the Member's Unit is an insured person under the policy with respect to liability arising out of the Member's interest in the Common Area or the Member's membership in the Association;
 - (2) the insurer waives its rights to subrogation under the policy against any Member (or members of Member's household) and against the Association and Directors;
 - (3) no act or omission by any Member or secured party, unless acting within the scope of authority on behalf of the Association, shall void the policy or be a condition to recovery under the policy; and
 - (4) the Association's policy shall be the primary insurance if, at the time of a loss under the policy, there is other insurance in the name of a Member covering the same property covered by the Association's policy.

Section 2. ASSOCIATION COVERAGE OF UNITS.

In addition to casualty insurance on the Common Area, the Association, through the Board of Directors, may elect to obtain and continue in effect, on behalf of all Owners, adequate broad-form blanket casualty and fire insurance in such form as the Board of Directors deems appropriate in an amount equal to the full replacement value, without deduction for depreciation or coinsurance, of all of the Dwellings, including the structural portions and fixtures thereof but exclusive of land, footings, excavation and other items normally excluded from coverage, owned by such Owners. Insurance premiums from any such blanket insurance coverage, and any other insurance premiums paid by the Association shall be an expense of the Association to be included in the regular annual assessments of the Owners, as levied by the Association. The insurance coverage with respect to the Dwellings shall be written in the name of, and the proceeds thereof shall be payable to the Association as trustee for the Owners.

Section 3. REPLACEMENT OR REPAIR OF PROPERTY.

Any portion of the Subject Property that has been damaged or destroyed by a loss covered by the Association's insurance shall be promptly repaired or replaced by the Association unless (i) the Community is terminated; (ii) such repair or replacement would be illegal; or (iii) Members holding at least 80% of the voting power of the Association (including every Member and first mortgagee on a Unit which shall not be rebuilt) vote not to rebuild. If less than the entire Subject Property is repaired or replaced, the insurance proceeds attributable to the damaged Common Area shall be used to restore the damaged area to a condition compatible with the remainder of the Community, the proceeds attributable to Units which are not rebuilt shall be distributed to the owners of those Units and the secured parties of those Units, as their interests may appear, and the remainder of the proceeds shall be distributed to all Unit Owners and secured parties as their interests may appear, in proportion to their common expense liability. The cost of repair or replacement of Common Area in excess of insurance proceeds and reserves shall be paid as a common expense, and the cost of repair of a Unit in excess of insurance proceeds shall be paid by the respective Unit Owner.

Section 4. CANCELLATION; NOTICE OF LOSS.

All policies of property insurance and comprehensive liability insurance maintained by the Association shall provide that the policies shall not be cancelled or substantially modified, for any reason, without at least 30 days prior written notice to the Association, all of the insureds, and all mortgagees of Units (including, if applicable, the FHA or FNMA).

Section 5. REVIEW OF POLICIES.

All insurance policies shall be reviewed at least annually by the Board of Directors in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the property which may have been damaged or destroyed.

Section 6. BLANKET CASUALTY INSURANCE BY OWNER.

If the Association does not elect to maintain blanket casualty and fire insurance pursuant to Section 2 of this Article, then any Owner of a Unit shall carry, maintain, and timely pay the premium or premiums on a policy of fire, extended coverage, vandalism, and malicious mischief, with all risk endorsement insurance. Said insurance shall cover a minimum of the entire replacement cost of the improvements on such Unit and shall provide for at least ten (10) days' notice to the Board of Directors of the Association before cancellation or material change in such insurance.

Section 7. REALLOCATION OF INTERESTS FOR DESTROYED UNITS.

If, pursuant to Section 3, a Unit is not rebuilt after a casualty, that Unit's entire interest in the Common Area, votes in the Association and common expense liability are automatically reallocated upon the vote as if the Unit had been condemned, and the Association shall promptly prepare, execute and record an amendment to the Declaration reflecting the reallocations.

**ARTICLE XII
SPECIAL PROVISIONS**

Section 1. OVERRIDING PROVISIONS.

The provisions of this Article take precedence over any other conflicting provisions of this Declaration.

Section 2. NOTICE OF DEFAULT.

A first mortgagee of a Unit, upon request, is entitled to written notification from the Association of any default in the performance by the Owner of any obligation under the Governing Documents known to the Association which is not cured within sixty (60) days.

Section 3. EXEMPTION FROM RIGHT OF FIRST REFUSAL.

Any first mortgagee of a Unit who obtains title to a Unit pursuant to the remedies provided in its mortgage, or by foreclosure of its mortgage, or by deed or assignment in lieu of foreclosure, will be exempt from any right of first refusal contained in the Declaration or By-Laws.

Section 4. LIABILITY FOR UNPAID ASSESSMENTS.

Any first mortgagee of a Unit who obtains title to a Unit pursuant to the remedies provided in its mortgage or by foreclosure of its mortgage shall not be liable for the unpaid assessments of the Unit which accrue prior to the acquisition of title to such Unit by the mortgagee.

Section 5. EXAMINATION OF BOOKS AND RECORDS.

First mortgagees shall have the right to examine the books and records of the Association.

Section 6. RIGHT TO CURE DEFAULT.

First mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Area and may pay overdue premiums in hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common Area, and first mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

Section 7. PRIORITY OF FIRST MORTGAGEES.

No provision of the Declaration or By-laws shall be construed as giving to the Owner or to any other party priority over any rights of first mortgagees of Units pursuant to their mortgages in the case of a

distribution to Owners of insurance proceeds or condemnation awards for losses to or a taking of Common Area.

Section 8. FORECLOSURE OF FIRST MORTGAGES AND CONTRACTS.

The sale or transfer of any Unit pursuant to the foreclosure of a first Mortgage, or pursuant to any other proceeding or arrangement in lieu of such foreclosure or cancellation, shall extinguish the lien of all other assessments as to the installments which became due prior to the effective date of such sale, transfer or acquisition by the Mortgagee to the end that no assessment liability shall accrue to an acquiring Mortgagee except with respect to installments of assessments becoming due after possession has passed to such acquiring Mortgagee, whether such possession has passed at the termination of any period of redemption or otherwise; provided, however, that if a first mortgage on a Unit is foreclosed, the first mortgage was recorded after June 1, 1994, and no Owner redeems during the Owner's period of redemption provided by Minnesota Statutes Chapters 580, 581 or 582, then the holder of the sheriff's certificate of sale from the foreclosure of the first mortgage shall take title to the Unit subject to unpaid assessments for Common Expenses levied pursuant to Sections 515B.3-115 (a), (e)(1) to (5), (f), and (i) of the Act, which became due, without acceleration, during the six months immediately preceding the first day following the end of the Owner's period of redemption. In the event of the extinguishment of such assessment lien as aforesaid, the entire amount of such unpaid assessment shall be reallocated and assessed against, and payable by the Owners of, all other Units in the Association, exclusive of such encumbered Unit. No such sale, transfer or acquisition of possession shall relieve an Owner of a Unit from liability for any assessments thereafter becoming due or from the lien thereof, nor shall it relieve the person personally obligated to pay the assessments which were levied prior to the transfer of such Unit from the personal obligation to pay the same.

ARTICLE XIII
MAINTENANCE

Section 1. MANDATORY MAINTENANCE.

The Association, subject to the rights of the Owners as set forth in this Declaration, and consistent with the Declaration of the Master Association, shall be responsible for, and be vested with, the exclusive management and control of the Common Area and all improvements thereon (including furnishings and equipment related thereto), and shall keep the same in good, clean, attractive and sanitary condition, order and repair (consistent with its natural character). In addition to maintenance upon the Common Area, the Association, or the Master Association as required, shall provide exterior maintenance for the Dwelling upon each Unit which is subject to assessment hereunder, as follows: painting, repair, replacement, cleaning and care of roofs, soffits, fascia, gutters, downspouts and exterior building surfaces, care and replacement of trees, shrubs, grass, walks, and other exterior improvements. Such exterior maintenance shall not include windows, doors, screens and garage doors (except painting, which shall be a responsibility of the Association, or the Master Association as required), exterior air conditioning units, gardens, shrubs and other plantings established by Owners and not by the Association, and private decks or patios, except that if an Owner after notice neglects to replace broken glass in exterior surfaces, or fails to maintain the appearance of its air conditioning unit, or private deck or patio, the Association may do so, charging the cost thereof to such Owner. At the option of the Board, the Association may undertake to clean exterior glass surfaces. All such painting, repair and maintenance shall be done as and when, and to the extent that, the Board deems it necessary or desirable. The Association, or the Master Association as required, shall remove snow from the Common Area driveways, parking areas and sidewalks (including sidewalks located on Owners' Units), but shall not be required to remove snow from decks or patios.

Section 2. ACCESS AT REASONABLE HOURS.

For the purpose solely of performing the maintenance and repairs authorized by this Article, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter any Dwelling and upon any Unit with such persons and material as the Association deems necessary at reasonable times during the day.

Section 3. EMERGENCY ACCESS.

For the purpose of performing emergency action to seal a Dwelling from weather or otherwise to prevent damage or destruction to any Dwelling, the Association through its duly authorized agents or employees, shall have the right to enter any Dwelling, and upon any Unit at any time, without notice, with such persons and material as the Association deems necessary to accomplish such emergency repairs or to take such emergency action.

Section 4. LAWN AND PLANTING MAINTENANCE.

The Association, or the Master Association as required, shall mow, water, rake and maintain, to the extent the Board deems necessary or desirable, the irrigation system and all lawns and exterior plantings; except that the Association may, but shall not be required to, water gardens and plantings established by Owners, and to the extent the Association, or the Master Association undertakes to do so, it will not be responsible for any damage to such gardens and plantings due to overwatering, underwatering or improper watering. In lieu of maintaining separate water lines for the Common Area, the Association, or the Master Association may draw water for such common purposes from exterior sillcocks on each Dwelling, provided that it rotates such drawing among all Dwellings by a schedule or other reasonable means so as to approximately equalize the amount of water taken from each Dwelling over the course of a season.

**ARTICLE XIV
EMINENT DOMAIN**

Section 1. TOTAL TAKING OF UNIT AND DWELLING.

If a Unit and Dwelling is acquired by eminent domain, or if so much of a Unit and Dwelling is acquired by eminent domain as to effectively leave the Owner with a remnant which may not practically or lawfully be used for any purpose permitted by this Declaration, the award, including severance damages, shall compensate the Owner of the Unit and Dwelling and holder of a first mortgage or other security interest of record as their interests may appear. Any such remnant of a Unit and Dwelling remaining after part of a Unit and Dwelling is taken shall be conveyed to the Association and shall thereafter be Common Area. The voting rights and liability for expenses attributable to the Unit and Dwelling acquired by eminent domain shall be reapportioned among the remaining Units.

Section 2. PARTIAL TAKING OF UNIT AND DWELLING.

Unless treated as a total taking under Section 1, if part of a Unit and Dwelling is acquired by eminent domain, the award shall compensate the Owner and first mortgagee of the Unit and Dwelling as their interests may appear for the reduction in value of the Unit and Dwelling. A partial taking of a Unit or Dwelling shall not affect the voting rights or liability of that Unit or Dwelling for common expenses.

Section 3. TAKING OF COMMON AREA.

If part of the Common Area is acquired by eminent domain, the award shall be paid to the Association. The Association shall divide any portion of the award not used for any restoration or repair of the remaining Common Area among the Owners and first mortgagees as their interests may appear in proportion to their Class A votes in the Association before the taking.

**ARTICLE XV
GENERAL PROVISIONS**

Section 1. ENFORCEMENT.

The Association or any Owner thereof shall have the right to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

The Master Association or any Owner thereof shall have the right to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of their Declaration. Failure by the Master Association or by any Owner thereof to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. RULES AND REGULATIONS.

The Association may make reasonable rules and regulations governing the use of the Units and of the Common Areas, which rules shall be consistent with the rights and duties established in this Declaration, as well as the Declaration of the Master Association. This Declaration shall supersede any conflicting rules by the Association.

Section 3. SEVERABILITY.

Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way effect any other provisions, which shall remain in full force and effect.

Section 4. ENFORCEMENT AND AMENDMENT.

The covenants and restrictions of this Declaration, or the Declaration of the Master Association, shall run with and bind the land, and shall inure to the benefit of, and be enforceable by the Association, the Master Association, or the Owner of any Unit subject to such Declarations, their respective legal representatives, heirs, successors and assigns.

Except as provided in the Act or as hereinafter provided, the covenants and restrictions of this Declaration may be amended only by the assent of Members holding at least seventy-five percent (75%) of the voting power of each class of Members. Any amendment must be properly recorded and a recorded certificate of the Secretary of the Association certifying that the amendment was approved by Members holding at least 75% of the voting power of each class of Members shall be sufficient evidence of such fact.

Section 5. NOTICES.

Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed postage-paid to the last known address of the person who appears as Member or Owner on the records of the Association at the time of mailing.

Section 6. MERGERS.

Upon a merger or consolidation of the Association with another corporation as provided in its Articles and Bylaws, its properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association or corporation, or, alternatively, the properties, rights and obligations of another corporation may, by operation of law, be added to the properties, rights, and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated corporation may administer the covenants and restrictions established upon any other properties as one scheme. No such merger or consolidation, however, shall effect any revocation, change or additions to the covenants established by this Declaration within the Subject Property except as hereinabove provided.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein, has hereunto caused these presents to be executed this 11 day of July, 2006.
